SOMEONE GIFTED YOU A FREE WISH!
NOW WHAT DO YOU DO WITH IT?

SIMPLY JUST PRINT THE DOCUMENT. Then if you desire, and of course this is an optional step, we ask that you immediately *BLESS* the page of freshly printed *WISHES* with *POSITIVE THOUGHTS*, or whatever Spiritual Ritual you'd prefer and fits your circumstance of belief. Then, *VISUALIZE* and *THINK OF YOUR WISH*, and to set your wish free you must **SAFELY BURN THE WISH IN FIRE**. Finally, we recommend that you then speak aloud the word in your language for '*MANIFESTATION*'. *We want to know what will happen AS WE WISH Together.* @-The goal of this Art Project is to see what happens when as many people as possible put their belief into a WISH CURRENCY so to say, and give this art, and its IDEA of humanity being a global community of *DREAMERS*, who could use something that inspires a little more fun in their lives. What will happen when MILLIONS OF PEOPLE all infuse this WISH/DREAM CASH with the **POTENT POWER** of **BELIEF** and the **ENERGY** of **MANIFESTATION**? *GIFTING* the FREE WISHES have the ability to help propagate in opening doors to boundless possibilities of positive interaction with others, it is flexible and fun in its positive nature between sharers. THAT IS WHAT AN ART PLACEBO DOES and HOW IT WORKS. *It is a "PRODUCT" that is JUST ART and it is REALLY 100% FREE FOR EVERYONE*, and accessible *IN OVER 60 LANGUAGES* and on every continent via the *World Wide Web*. We believe it to be *TRUE ART* at its very soul, and it being an ultimately SIMPLE and INSPIRING ACTION, open to people of all faiths and languages, races and thought persuasions. WE BELIEVE IN THE IDEA and feel it is very much in the original spirit of TRUE ART, as its real value lays not so much on the canvas on which it appears, but in the IDEA ITSELF. Please be part of its evolution as it goes global to OVER 60 LANGUAGES on all continents. **WHAT WILL HAPPEN WHEN MILLIONS OF PEOPLE BELIEVE IN SOMETHING AS SILLY AS THIS? WE WANT TO FIND OUT**, and wish that you come along for the ride, so if you have received this by email or it has been handed to you by a stranger, then it means We are not the only ones who wish you to join in this fun art project as we are not spamming people we do not know, and we encourage you to do the same, only send this to those you feel need it, and would enjoy it. *If Your Wish Comes True In The Next Year?*

Then we wish to hear about it, and will catalog people's results on our website and even possibly in our web Series Documentary, and review any stories that are of note and inspiration. The result being a Documentary and E-book that might be able to share some of the most amazing epiphanies of the mysteries of the mind, as we DOCUMENT THIS ART PROJECTS DEVELOPMENT AS IT GOES GLOBAL.

What will happen AS WE WISH TOGETHER? Let us find out. **ART IS. ART HAPPENS.**

Sincerely, the ART PROJECTS GENIE,

Delphius Rae
